

The Foundation fiat panis appreciates excellent scientific work, which contributes to the reduction of hunger in developing countries. The work must be applicable and suitable to improve food supply and security as well as to reduce the impact of hunger (under- and malnutrition). Therefore, we are pleased to announce the

HERMANN EISELEN SCIENCE AWARD 2022

which honors excellent dissertations and other higher ranking scientific work, endowed with **€ 30,000**

The deadline for application for the graduate award is April 30, 2022. The award will be presented on the occasion of the Tropentag 2022.
