

Learn & Discuss vol. 5

Illegal animal trade

29. 4. 2024 at 17:30

Faculty of Tropical AgriSciences, room 116

Discover the alarming reality of turtle egg poaching and the trade with turtle shell products. Learn how social media monitoring can be a powerful tool in catching poachers, and uncover several case studies dealing with the protection of animals. After the lecture, enjoy a chance to discuss, network, and share ideas. Plus, there's a small snack waiting for you!

Speakers:

Mgr. Hana Svobodová (Chráníme mořské želvy a.s.)

Ing. Tereza Švejcarová (fžp)

Mgr. Ing. Jan Chmelař (čičip)
