

## Health insurance

- **At CZU**, health insurance is not an obligatory requirement for Admission, but non-EU applicants need a Comprehensive Health Insurance for long-term visa issue to stay in the Czech Republic (more info <https://www.czu.cz/en/r-9190-international-relations/r-9287-international-mobility-erasmus/r-9312-incoming-students/r-9328-health-insurance>).
- **At PSU**, international students are required to have health and accident insurance from their own countries for long-term visa issues to stay in Thailand. Once students pay the tuition fee during registration for the second year, students will obtain the standard University Health and Accident Insurance. However, international students are required to have comprehensive health insurance coverage as may be required by the university for the duration of their period of study in the second year (more info <https://interaffairs.psu.ac.th/health-and-accident-insurance-for-psu-students>).
