

Annex 1

DD – first year at CZU					
1st sem. (Oct - Jan)	Start	October	ECTS	(To be recognized in PSU system)	Thai credits
	CZU				
	Institutional and Behavioural Economics		5	Elective course	3
	Agricultural Policy in Developing Countries		5	Economy and Agricultural Development Innovation	3
	Tropical Product Marketing		5		
	Economics of Farming Systems		5	Elective course	3
	Cooperatives and Farmer Associations		5	Organization Development and Leadership in Agriculture	3
	Diploma Thesis - Assignment		2	Thesis	1
	Seminar - Introduction to Agricultural Research in Tropics		1	Seminar I	1
	Orientation Meeting for Master Students		1		
	Development and Poverty Reduction Strategies		5	Sustainable Agricultural Production System	3
		Sum	34	Sum	17
2nd sem. (Feb - May)	start	February	ECTS	(To be recognized in PSU system)	Thai credits
	CZU				
	Research Design in Agricultural Economics		5	Research in Agricultural Development	3
	Elective course (Rural Development)		5		
	Global Food Security		5	Food Security and Agricultural Development	3
	Elective course		5		
	Diploma Thesis - Research Design		3	Thesis	2
	Seminar - Planning and Development of Research Design		1	Seminar II	1
	Data Analysis in Agricultural Economics		5	Elective course	3
		sum	29	sum	12
Semester break					
June	Travel to Thailand				

DD – second year at PSU					
3rd sem. (Jul - Oct)	Start PSU	July	Thai credits	(To be recognized in CZU system)	ECTS
	Econometrics for Agriculture Management		3	Econometrics for Agricultural Economics	5
	Seminar III		1	Seminar - Principle of Data Processing and Visualisation	1
				Seminar - Data Presentation and Communication Skills	1
	Module II - Sustainable Agricultural System and Agricultural Resources Management		6	Elective course	5
				Elective course	5
	Perennial Crop Production		2	Tropical Crop Production	5
	Fruit Crop Production		2		
	Animal Production Innovation and Management		5	Animal Production	5
				Elective course	5
	Thesis		6	Diploma Thesis - Data Analysis	5
		sum	25	sum	37
Jun – Nov	Professional Training in Agriculture		3	Practical and Research Training	5
		sum	3	sum	5
2nd sem. (Nov - Mar)	start PSU	November	Thai credits	(To be recognized in CZU system)	ECTS
	Thesis		9	Diploma Thesis – Submission	15
		sum	9	sum	15
May	State exams at CZU and thesis defence jointly at PSU or CZU (On-site for CZU students / On-site or On-line for PSU students)				

	CZU system (ECTS)	PSU system (Thai credits)
credits in obligatory courses /modules	60	12
credits in elective courses	25	30
thesis related credits	26	18
seminar related credits	4	3
Practical and Research Training or Professional Training in Agriculture	5	3
sum	120	66

Equivalence Table	
CZU	PSU
Core courses/Compulsory courses/Elective courses	
Agricultural Policy in Developing Countries	Economy and Agricultural Development Innovation
Tropical Product Marketing	
Research Design in Agricultural Economics	Research in Agricultural Management
Elective course	
Global Food Security, Elective course	Food Security and Agricultural Development
Econometrics for Agricultural Economics	Econometrics for Agriculture Management
Cooperatives and Farmer Associations	Organization Development and Leadership in Agriculture
Development and Poverty Reduction Strategies	Sustainable Agricultural Production System
Economics of Farming Systems	2 Elective courses
Institutional and Behavioural Economics	
Tropical Crop Production	Perennial Crop Production Fruit Crop Production
Animal Production, Elective course	Animal Production Innovation and Management
2 Elective courses	Module II - Sustainable Agricultural System and Agricultural Resources Management
Thesis	
Diploma Thesis - Assignment	Thesis
Diploma Thesis - Research Design	
Diploma Thesis - Data Analysis	
Diploma Thesis - Submission	
Seminar	
Introduction to Agricultural Research in Tropics	Seminar I
Orientation Meeting for Master Students	
Planning and Development of Research Design	Seminar II
Principle of Data Processing and Visualisation	Seminar III
Data Presentation and Communication Skills	
Training	
Practical and Research Training	Professional Training in Agriculture

* For elective courses, students can choose various courses according to their interests from IDAE and AD Program.

Annex 2

Home University	Fees to paid at	Fee	Semester 1	Semester 2	Semester 3	Semester 4	Sum
