## Proving scientific qualifications of candidates for habilitation and appointment as professor at the Faculty of Tropical AgriSciences of the Czech University of Life Sciences in Prague

---

### Article 1

#### Introductory Provisions

1. The habilitation procedure and the procedure for the appointment of professor are conducted at the FTZ according to the Act on Higher Education No. 111/1998 Coll. and according to the Rules for Habilitation Procedure and Procedure for the Appointment of Professor at the CZU in Prague of 7 August 2023 (valid from 1 July 2024).
2. According to the above-mentioned Act, the habilitation procedure verifies scientific qualifications and pedagogical competence, and the procedure for appointment as a professor verifies the pedagogical and scientific qualifications of a candidate who is a distinguished and recognised scientific personality in his/her field.
3. In addition to the requirements arising from the above-mentioned documents, the minimum criteria listed in the table in Article 2 of this Decision are considered to be sufficient evidence of the applicant's scientific qualifications for the habilitation procedure and the procedure for appointment as a professor at the FTZ CZU in Prague.
