REGULATION OF THE DEAN

**No. 4/2026**

Fakulta tropického  
zemědělství

---

## Determination of the Tuition Fee for Study Programmes Conducted in a Foreign Language at the Faculty of Tropical AgriSciences for the Academic Year 2027/2028

---

### Article 1

#### **Introductory Provisions**

1. This Directive is valid for the Faculty of Tropical AgriSciences (hereinafter referred to as the "Faculty") of the Czech University of Life Sciences Prague (hereinafter referred to as "CZU") and determines the tuition fee for study programmes conducted in a foreign language at the Faculty for the academic year 2027/2028.
2. This Directive has been prepared in particular in accordance with Act No. 111/1998 Coll., on Higher Education Institutions and on Amendments and Supplements to Other Acts (the Higher Education Act), as amended (hereinafter referred to as the "Act"), and Article 25 of the Statute of the Czech University of Life Sciences Prague (hereinafter referred to as the "Statute").

The tuition fees stipulated by this Directive apply to students who commence their studies in study programmes taught in English in the academic year 2027/2028 and shall remain valid for the standard period of study extended by one year. Students who commenced their studies in study programmes taught in English prior to this academic year shall be subject to the fees established by the previous internal regulation effective on the date of their enrolment.

### Article 2

#### **Determination of the Tuition Fee for Study in a Foreign Language**

1. The tuition fee for study in a study programme conducted in a foreign language pursuant to Section 58(4) of the Act (hereinafter referred to as the "tuition fee for study in a foreign language") is determined with regard in particular to the economic demands of the programme, the costs of ensuring the quality of education, and the current situation in comparable fields of education, as follows:

| Type of Study Programme | Applicable Study Programme                                                                                             | Tuition Fee in CZK per Commenced Year of Study for EU Students | Tuition Fee in CZK per Commenced Year of Study for Non-EU Students |
|-------------------------|------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|--------------------------------------------------------------------|
| Bachelor's              | International Cooperation in Agricultural and Rural Development                                                        | 13,000                                                         | 25,000                                                             |
| Master's                | All Master's study programmes conducted in a foreign language except Tropical Farming Systems and Tropical Agroecology | 8,000                                                          | 25,000                                                             |
| Master's                | Tropical Farming Systems – Double Degree programme                                                                     | 13,000                                                         | 60,000                                                             |
| Master's                | Tropical Agroecology                                                                                                   | 110,000                                                        | 110,000                                                            |
| Doctoral                | All doctoral study programmes conducted in a foreign language except Agriculture in Tropics and Subtropics             | 8,000                                                          | 8,000                                                              |
| Doctoral                | Agriculture in Tropics and Subtropics                                                                                  | 80,000                                                         | 80,000                                                             |

- For students referred to in Article 1(3), first sentence, of this Directive who have been enrolled in the Bachelor's study programme *International Cooperation in Agricultural and Rural Development* for a fifth year, the tuition fee shall be increased to CZK 40,000 for each commenced year of study. This period shall also include studies in other Bachelor's degree programmes in the Czech Republic that were terminated otherwise than by proper completion.

3. For students referred to in Article 1(3), first sentence, of this Directive who have been enrolled in a Master's study programme other than *Tropical Farming Systems* and *Tropical Agroecology* for a fourth year, the tuition fee shall be increased to CZK 40,000 for each commenced year of study. This period shall also include studies in other Master's degree programmes in the Czech Republic that were terminated otherwise than by proper completion.
4. For students referred to in Article 1(3), first sentence, of this Directive who have been enrolled in the Master's study programme *Tropical Farming Systems* for a fourth year, the tuition fee shall amount to CZK 60,000 for each commenced year of study. This period shall also include studies in other Master's degree programmes in the Czech Republic that were terminated otherwise than by proper completion.
5. For students referred to in Article 1(3), first sentence, of this Directive who have been enrolled in the Master's study programme *Tropical Agroecology* for a fourth year, the tuition fee shall remain CZK 110,000 for each commenced year of study. This period shall also include studies in other Master's degree programmes in the Czech Republic that were terminated otherwise than by proper completion.
6. The decision on the assessment of the tuition fee for study in a foreign language pursuant to paragraphs 1, 2, 3, 4 and 5 of this Article shall be issued by the Dean or a Vice-Dean authorised by the Dean, and the fee shall be payable before enrolment in the study programme or before enrolment in a higher year of study. For students referred to in Article 1(3), first sentence, of this Directive, if a student fails to enrol, a non-refundable portion of the fee amounting to CZK 8,000 shall be retained.
7. When paying the tuition fee for study in a foreign language, the student must correctly indicate the specific symbol and variable symbol of the payment as provided in the University Information System. Any bank charges shall be borne by the student.

### Article 3 Final Provisions

1. This Directive was discussed by the Dean's Advisory Board of the Faculty of Tropical AgriSciences on 10 June 2026.
2. This Directive was approved by the Academic Senate of the Faculty of Tropical AgriSciences on 17 June 2026.
3. This Directive shall enter into force and take effect on the date of its promulgation.

Prague, 22 June 2026

doc. Ing. Hynek Roubík, Ph.D.  
Dean of FTZ
