- Ing. Simona Tomanová

Ing. Ondřej Cingálek

Faculty of Tropical AgriSciences

Year of birth:

2002

Contact email:

cingalek@ftz.czu.cz

Study programme and year:

- Tropical Agrobiology and Bioresource Management, 1st year

Candidate characteristics:

- Ph.D. student and member of the Termite Research Team.
- At the Faculty since 2021 - Graduate of TZ and TCME programmes.
- Event organisation experience through prior long-term membership in the student organisation BeFair.

Priorities:

- Represent FTZ students in the Academic Senate by keeping them informed and making sure their voices are heard.
- Promoting and advocating for the interests of the FTZ.
- Active contribution to the improvement of the study environment and overall student experience at FTZ.

Jan Gábor

Faculty of Tropical AgriSciences

Year of birth:

2002

Contact email:

gaborj@ftz.czu.cz

Study programme and year:

- FTA D-TABM pres. (year 1)

Candidate characteristics:

- FTA student since 2021
- active member of the Laboratory of Ethnobotany and Ethnopharmacology
- co-organizer of FTA events

Priorities:

- support of practical teaching at FTA
- improvement of the promotion for interest programs at the FTA
- advocate for the expansion of rest zones within the ČZU campus
- backing the transparency of the FTA management processes

Robin Idris Beshir

Faculty of Tropical AgriSciences

Year of birth:

2001

Contact email:

Xidrr001@studenti.czu.cz

Study programme and year:

- ICARD – 3rd year.

Candidate characteristics:

- Communicative and open to discussion.
- Empathetic, with a strong sense of fairness.
- Constructively critical of myself and others.
- A good listener who can clearly identify problems.

Priorities:

- Mutual respect – I will encourage both students and teaching staff to follow university etiquette
- Building an environment where we can discuss any topic without fear of judgment.
- Bringing your constructive suggestions to the Senate and keeping you informed about progress and outcomes.

Anna Jirglová

Faculty of Tropical AgriSciences

Year of birth:

27.12.2002

Contact email:

xjira036@studenti.czu.cz

Study programme and year:

- Tropical Forestry and Agroforestry; 1. year

Candidate characteristics:

- Student at FTZ since 2022
- Someone who isn’t afraid to speak up
- A passionate traveler
- Member of the Student Association

Priorities:

- Greater self-sufficiency for FTZ —more bachelor’s program courses taught directly at FTZ
- Listening to students and advocating for the fulfilment of their needs and wishes
- Finding ways to travel more and thus better understand the purpose of our studies

Barbora Motýlová

Faculty of Tropical AgriSciences

Year of birth:

1995

Contact email:

motylova@ftz.czu.cz

Study programme and year:

- SRD 4.

Candidate characteristics:

- FTZ member since 2014 (BSc, MSc, now PhD), familiar with all study levels
- Member of AS FTZ (since 2019), AS CZU (since 2023), and CZU Ethics Committee
- Assisting at the PhD and Research Office
- Research focused on shiitake mushrooms

Priorities:

- **Open communication:** Strengthening student–faculty dialogue (she initiated the FTZ Suggestion Box)
- **Comfortable environment:** Improving faculty spaces (she contributed to the Student Lounge, Little Free Library, and faculty map)
- **Student well-being:** Supporting students' needs, interests and sense of belonging

Miroslav Mulko

Faculty of Tropical AgriSciences

Year of birth:

2000

Contact email:

mulko@ftz.czu.cz

Study programme and year:

- 3rd year TABM

Candidate characteristics:

- I am a PhD student in Tropical Agrobiology and Bioresources Management, focusing on molecular genetics and bioacoustics.
- From 2023 to 2026, I served as a member of the FTZ Academic Senate, where I gained experience in academic governance.
- In addition to my research, I am involved in teaching and other faculty activities, which allows me to see how the university operates from different perspectives.

Priorities:

- Improve access to information about what is happening at the university, so that students receive important updates and decisions clearly and on time..
- Represent students' interests and address the issues they face during their studies.
- Promote transparency and responsible decision-making regarding the university's operations and future direction.

Bc. Marcela Růžičková

Faculty of Tropical AgriSciences

Year of birth:

2003

Contact email:

xruzm040@studenti.czu.cz

Study programme and year:

- Agri-food Systems and Rural Development, 1st year

Candidate characteristics:

- Graduate of the Tropical Agriculture Bc. programme
- Member of the Laboratory of Ethnobotany and Ethnopharmacology during Bachelor's studies
- Involved in organizing events at FTA
- Prefers walking to school rather than taking the bus, and brewing beer at home rather than buying it in a store

Priorities:

- Representing and advocating for students' interests
- Upholding FTA's integrity and values within the academic community

Eliška Štědrá

Faculty of Tropical AgriSciences

Year of birth:

2003

Contact email:

xstee025@studenti.czu.cz

Study programme and year:

- WMC 1.year

Candidate characteristics:

- Im a student that is not scared to get out of her comfort zone and help enhance the events at the faculty
- I want to be a connection between students and faculty
- I want to contribute and enhance to the friendly atmosphere at our faculty

Priorities:

- Better informations and communications
- Support of student life and events
- Open communication and feedback

Simona Tomanová

Faculty of Tropical AgriSciences

Year of birth:

2000

Contact email:

tomanovas@ftz.czu.cz

Study programme and year:

- ´Sustainable Rural Development, 2nd year

Candidate characteristics:

- Has been at FTZ CZU since 2020 and is currently a Ph.D. student focusing on agricultural value chains and certification.
- Erasmus+ KA171 project coordinator at FTZ, actively involved in international cooperation.
- Member of the FTZ Academic Senate since 2026.
- Participates in faculty events and organizes activities for Erasmus+ students.

Priorities:

- **International Cooperation:** Support CZU's internationalization and international cooperation.
- **Student Representation:** Advocate for the interests of students at all levels of study.
- **Open Communication:** Promote open communication between students and CZU management.
