Credits

The University of Leon will award a 20 ECTS certificate upon completion of the program.

Cost of program: 2.300,00 € (euros)

(including academic fees, accomodation, breakfast and one meal each day, trips, cultural excursions)

Extracurricular activities

Participants

An intermediate Spanish level (B1) is strongly recommended to enroll in the program.

Academic program

This program will give special importance to linguistic competence. To be granted a final certificate at the end of the course, the student assessment will be based on continuous evaluation on the following competences:

- Reading comprehension.
- Production of written texts.
- Describing experiences and events as well as giving opinions and ideas.
- To be able to handle day-to-day situations.
