

Graduated study program

Animal and Food Science in Tropics and Subtropics

Czech University of Life Sciences Prague

**Faculty of Tropical
AgriSciences**

Nghiên cứu và biết được thế giới! *Estudar y conocer o mundo!* এবং স্টাড বিশ্বের জানা *دراسة ومعرفة العالم*
Étudier et découvrir le monde! Estudiar y conocer el mundo! Studuj a poznvej svět!
Study and explore the world!

Why to study master degree in Animal and Food Science at FTA?

- ☞ we offer a complete study programme for agricultural specialists in developing countries
- ☞ we prepare graduates to work in animal production management and development, food processing and welfare
- ☞ we place emphasis on ecology, sustainability and alternative and holistic approaches
- ☞ we support language improvement - our students can receive interantional certificates such as **TFI or TOEIC**
- ☞ students are divided into small study groups with participatory teaching methods and a family atmosphere
- ☞ our diverse mix of international students creates a natural learning environment
- ☞ practical skills are a priority - students will gain practical experience in veterinary and food processing laboratories

You can take advantage of a wide array of activities:

- ☞ complete part of your studies at one of our partner universities abroad
- ☞ participate in research opportunities in tropical regions and developing countries
- ☞ enjoy many sporting and cultural activities on our beautiful campus
- ☞ publish in our own scientific journal

Animal Husbandry - Cattle, Buffaloes, Goats, Sheep, Pig, Poultry - Genetics and Breeding - Animal Feeding and Nutrition - Livestock Reproduction - Food Quality and Certification - Behavioural Ecology - Tropical Pastures

A broad selection of Master thesis topics, such as:

- ☞ Analysis of reproductive and growth characteristics of mutton sheep breed Charollais
- ☞ Influence of meat fibre diameter, composition of collagen and temperature during cooking on shear force
- ☞ Social-economic factors affective the occurrence of parasites in goats kept in Angola.

Examples of our Erasmus partners:

Kassel University/Witzenhausen - Germany
Gent University - Belgium
University College Cork - Irland

**Join us and become a part of our
projects in Zambia, Mongolia,
Mali and Bosnia - Herzegovina!**
