<b>D. BACKGROUND E EXPERIENCES</b>	
Please briefly present the partner organisation.	<p>AMFI is a non-profit organization specialized in managing international training programmes. It promotes non-formal educational projects and activities within the framework of the major European Programmes in the belief that the richness of European Union lies in the cultural diversities of its members. AMFI, from many years, has been supporting and encouraging international mobility in Education as a tool to promote intercultural dialogue and mutual understanding. AMFI also assists youngsters when taking some of the main decisions about their future, acting as an observatory of the job market as well as a provider of professional training. AMFI also collaborates with Social and Cultural Associations as well as public and private Institutions.</p>

<p>What are the activities and experience of the organisation in the areas relevant for this application?</p>	<p>AMFI boasts a consolidated experience as Sending, Intermediary and Hosting Organization within the framework of the main European Programmes: LLP – Lifelong Learning Programme, Youth in Action, Erasmus Placement, Europe for Citizens, professional educational activities, non-formal education, Youth Exchanges, Job Shadowings, Intercultural Exchanges and more.</p> <p>AMFI implemented several projects that have foreseen a collaboration with local institutions, such as schools, organizations and associations. Through these projects, young people were engaged in trainings with the aim to share professional knowledge and improve their personal experiences by confronting with other participants' experiences, carrying out role-plays and so on. Furthermore, youngsters acquired new information about the use of modern ways of communication. At the end of these projects, participants felt enriched both as EU citizens and as future professionals.</p>
<p>What are the skills and expertise of key staff/ persons involved in this application?</p>	<p><b>Fabrizio Ranieri</b> President Project manager Graduate in Administrative Political Science at Sapienza University in Rome. It has several years of experience in the management of European projects, such as Leonardo da Vinci, Erasmus, Youth in Action, programs that require a high-level knowledge of European policies. He has expertise in national and community planning, in particular regarding training programs and youth employment. He has an extensive experience in organizing training courses and internships in institutions and companies in Italy and abroad as well as over ten-years of expertise in the establishment of partnerships at national and European level.</p> <p><b>Giovanni Tatarelli</b> Administrative Dept. Coordinator Accountant He got an Economics degree from the University of Bologna. It has experience in the accounting management of European projects, in particular projects in Leonardo da Vinci and Erasmus +. It has management skills of human and financial resources in the European context.</p> <ul style="list-style-type: none"> <li>- He has been involved in the creation of several European projects and knows perfectly about the accounting procedures for Italian and European projects;</li> <li>- It possesses high skills in communication and in the use of the media for sharing and dissemination of project results.</li> </ul>

<p>What are the skills and expertise of key staff/ persons involved in this application?</p>	<p><b>Cristina Nucci</b> Incoming Dept. Coordinator Erasmus+ Procedures Expert She has a Degree in Languages for Business and International Cooperation. She has experience in human resource management of EU projects, such as Leonardo da Vinci and Erasmus +. She has been working for years in the management of European projects as AMFI tutor and translator (English, Spanish and French). It has high language skills for proper communication with partners, for the execution of administrative and / or accounting operations, to understand and correctly interpret all the necessary documentation for the implementation of specific activities. It has experience in providing assistance and support to incoming foreign flows. She has been working with several European programs, in various professional fields (organic farming, sustainable engineering, social activities, mechanical engineering, restaurants and hotel business). In addition, she is involved in the selection and recruitment of participants in the framework of EU projects managed by AMFI.</p> <p><b>Paola Panfili</b> Project Manager &amp; Youth Coordinator Graduated in International Affairs at John Cabot University in Rome. She has an EIPA (European Institute for Public Administration) accreditation in Project Cycle Management - EU Project Management. Within AMFI she takes care not only of EU PCM within the Erasmus+ program, but she also coordinates the communications and marketing department for AMFI and for the network to which AMFI belongs: Erasmusnet. She also manages the Youth department, including Youth projects and EVS.</p> <p><b>Valentina Cassarà</b> Project Designer Lawyer. She has expertise in writing EU projects, especially Erasmus+ Youth projects. Within AMFI she acts as manager of the project designing team. She also manages, together with the Project Manager, all the projects that are approved by the NA.</p> <p><b>Silvio Di Giulio</b> Tutor He has a degree in philosophy and expertise in managing international groups. At AMFI, he serves as a tutor for the Erasmus groups arriving here by providing them with assistance and guidance, responding to any kind of problem they might have in a timely manner; therefore, ensuring the correct implementation of the mobility.</p>
