

QUAERE 2018 | 18. - 22. 6. 2018 | The Czech Republic | ECONFERENCE

SHARING KNOWLEDGE IS ONE OF THE MOST EFFECTIVE AND SUCCESSFUL WAYS
TO GET AHEAD AND HELP ANOTHER THE SAME TIME

Interdisciplinary Scientific Conference for PhD students and assistants

conference invitation

All PhD students and assistants are invited to the international scientific conference QUAERE 2018! Annual conference is organized by MAGNANIMITAS academic association. The conference is intended especially for PhD students and their supervisors and assistants from all European universities. The aim is to support the science, young researchers and create a place where all scientific results can be presented.

proceedings

The conference and the outcomes of PhD work should follow the Memorandum of Scientific Integrity, ALLEA | European Federation of National Academies of Science and Humanities.

MAGNANIMITAS Assn. is a signatory of the Berlin Declaration on Open Access to Knowledge in the Science and Humanities (oa.mpg.de). The declaration was initiated by the Max Planck Society.

Every participant will receive Conference Proceedings with full text papers (with ISBN Code). All papers will be under double-blind reviewing. **The best papers written in English will be also published in the scientific journal:**
