INTERNÍ PŘEDPISY  
ČESKÉ ZEMĚDĚLSKÉ UNIVERZITY V PRAZE

## Etický kodex České zemědělské univerzity v Praze

### Článek 1 Úvodní ustanovení

- (1) Tento předpis je platný pro všechny součásti České zemědělské univerzity v Praze (dále jen „ČZU“) včetně školního zemědělského podniku se sídlem v Lánech a školního lesního podniku se sídlem v Kostelci nad Černými lesy.
- (2) Česká zemědělská univerzita v Praze (dále jen „ČZU“) patří mezi vrcholná centra vzdělanosti, nezávislého poznání a další tvůrčí činnosti. Jako taková má nezastupitelnou úlohu ve vědeckém, kulturním, sociálním a ekonomickém rozvoji společnosti a v ochraně životního prostředí.
- (3) Etický kodex ČZU (dále jen „etický kodex“) obsahuje základní etické principy, které vedou zaměstnance i studenty ČZU<sup>1</sup> v rámci jejich akademických a dalších aktivit praktikovaných v univerzitní i mimouniverzitní sféře, především pokud se jedná o vzdělávací (dále jen vzdělávací činnost), vědecké a výzkumné, výzkumné a inovační, umělecké nebo další tvůrčí

# WHISTLEBLOWING

## Oznamování porušení práva EU (též jako schránka pro podněty a návrhy)

### Informace k oznamování porušení práva EU

Podávání oznámení podle směrnice Evropského parlamentu a Rady (EU) č. 2019/1937 ze dne 23. října 2019 o ochraně osob, které oznamují porušení práva Unie (dále jen „směrnice EU“):

ČZU v souladu se směrnicí EU poskytuje informaci o možnosti podání oznámení, pro která zřizuje vnitřní oznamovací systém, který zaručuje anonymitu kanálů pro oznamování i pro správu jednotlivých podání a obsahuje nastavení lhůt k vyřízení oznámení. Oznamovateli přiznává směrnice **chráněné postavení** spočívající v ochraně jeho totožnosti a v zákazu odvetných opatření činěných vůči němu v souvislosti s podaným oznámením.

### Oznámení lze podat:

- elektronicky prostřednictvím formuláře
- elektronickou poštou na adresu [oznameni@czu.cz](mailto:oznameni@czu.cz)
- poskytovatele poštovních služeb, přičemž obálka musí být označena slovy „neotvírat - whistleblowing“.
- osobně (po předchozí domluvě s pověřenou osobou)
- prostřednictvím externího oznamovacího systému Ministerstva spravedlnosti [Oznamovatel](#)

Pověřenou osobou, která bude oznámení prošetřovat, je první prorektor a kancléřka.

## Whistleblowing Channel – Česká zemědělská univerzita v Praze

Do you suspect unethical behaviour in our organisation (CZU Prague) or want to send us any feedback? Use our whistleblowing channel.

Our university (CZU Prague) values ethical behaviour and mutual respect. In case you witness unethical behaviour that is difficult to discuss personally, we have established a whistleblowing channel. Through this channel, you can safely send reports of illegal or unethical behaviour, improvement suggestions, questions, or any feedback.

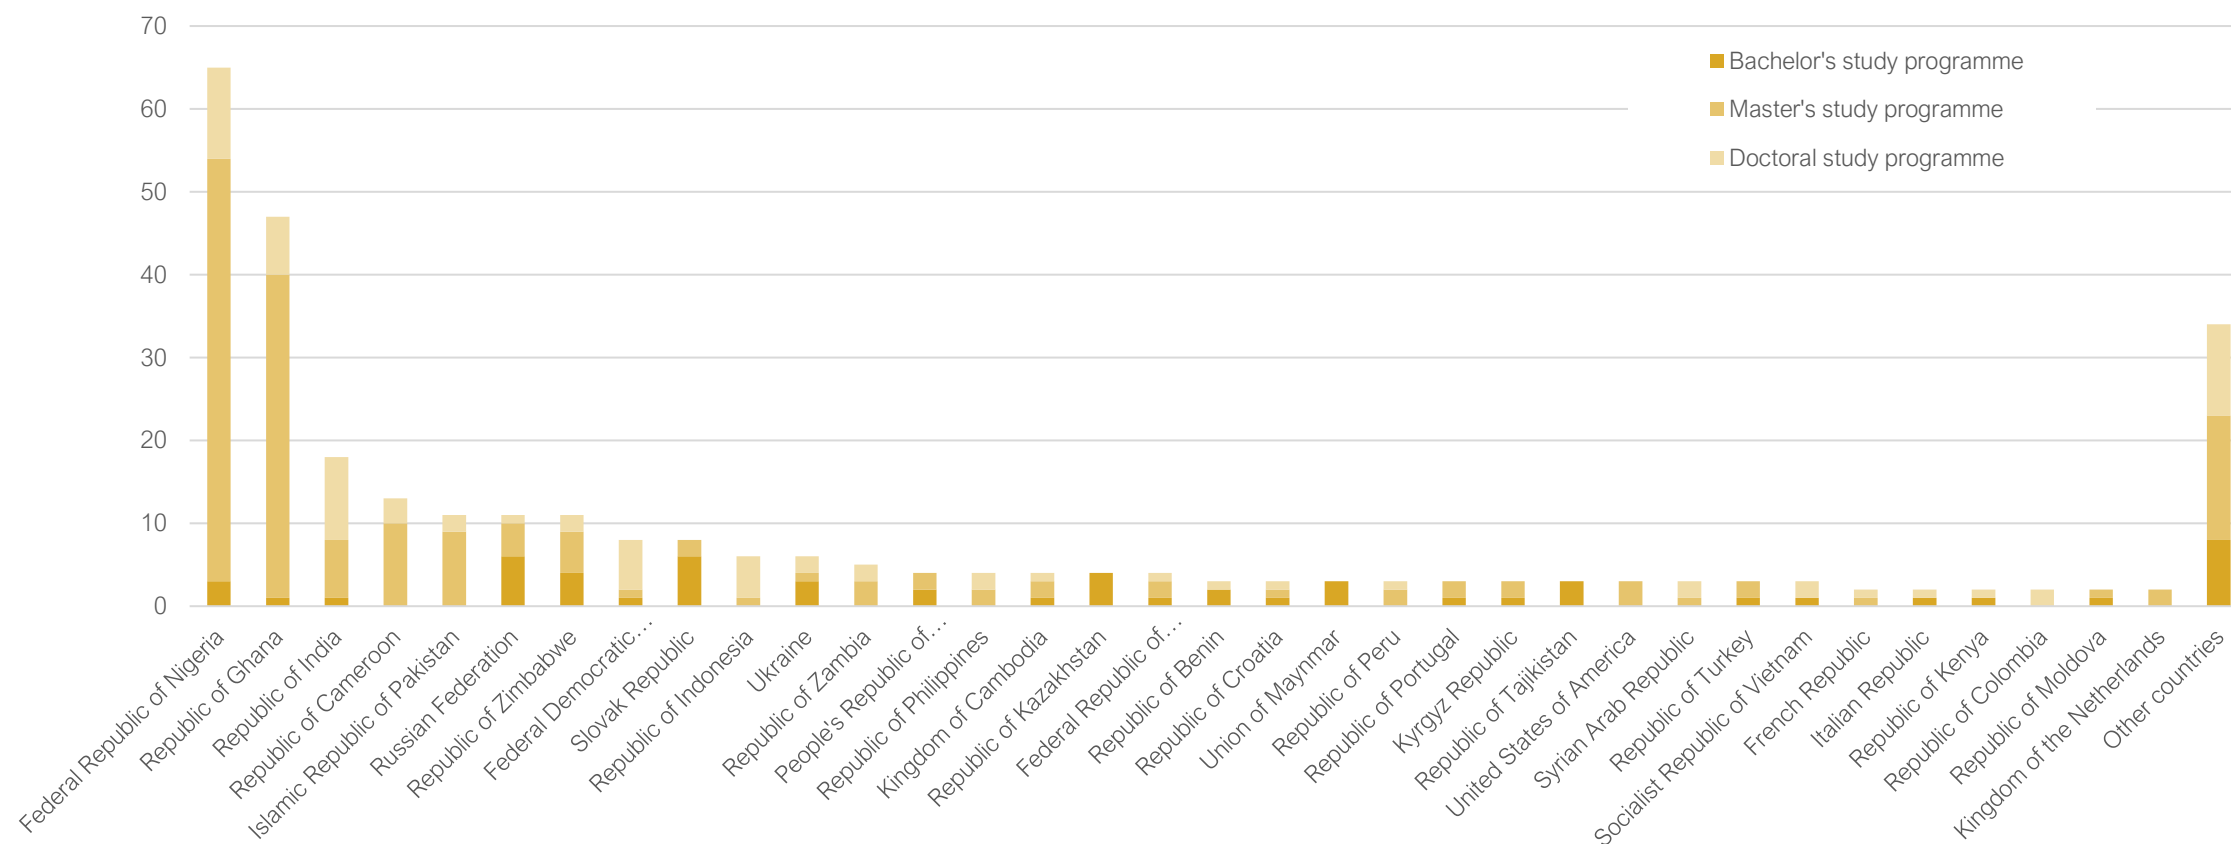

All reports are handled by designated persons in our organisation. Information sent through the whistleblowing channel is completely secure and there is no risk of retaliation.

# GUIDEBOOK FOR NEW STUDENTS

The screenshot shows the official website of the Faculty of Tropical AgriSciences (FTA) at the Czech University of Life Sciences Prague (CZU). The header includes the university logo and navigation links such as 'About Faculty', 'Departments', 'Study', 'Science & Research', 'International Relations', and 'Projects and Partnerships'. A secondary navigation bar lists 'Study at FTA', 'Study Programmes', 'Information for Students', 'Study Administration Office', 'Employability of Graduates', and 'Campus Life'. The main content area is titled 'Study at FTA' and features a photograph of students in a lecture hall. Below the photo, there is a sidebar with a 'What can we offer you at our faculty?' section containing links to 'Study Options', 'Organization of Studies', 'Our tutors at the FTA', 'Students from around the world', 'Connection between studies and current research', 'International mobility and student activities', 'How big is our faculty?', and 'Documents'. The main text area is titled 'What can we offer you at our faculty' and describes the faculty's broad educational background, its focus on tropical regions and international development cooperation, and the variety of study programs offered, including Bachelor's, Master's, and Doctoral degrees. It also mentions the faculty's long-standing tradition of international cooperation and its commitment to providing a high-quality education for students from around the world. At the bottom, there is a 'Study Options' section that provides information about the faculty's study programs, including the Bachelor's, Master's, and Doctoral degrees, and the various forms of international cooperation and mobility available to students.

# BASIC RULES

## Article 7 „Organization of studies“

(8) **Attendance at all forms of classes is obligatory.** The subject guarantor may declare the attendance at some specific forms at some classes as non-obligatory.

## Article 8 „Credits and Examinations“

(6) Students register for their examinations through the CZU on line registration system for the announced examination dates. Registration for examination is mandatory.

(8) The examiner confirms the passing of an examination, at **latest 3 working days** after the examination took place, by entering the date of the passing of the examination, entering the relevant mark in words according to subsection 7) in to the university electronic data base.

# BASIC RULES

Article 10 „Enrolment in subsequent years of studies “

(3) For enrolment to the subsequent year the student must fulfil at least 50 ECTS from previous year.

In case a student repeat a subject in a subsequent year, repeats a year, or follows an individual study programme, he/she may study in one study programme, including transferable subjects, **the same subject at most twice**.

# BASIC RULES

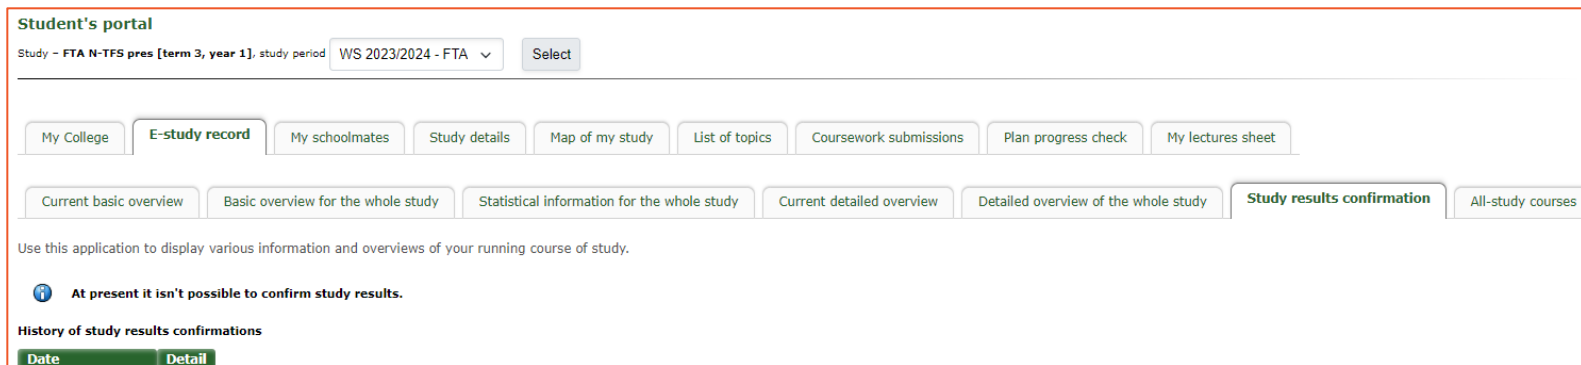

## Article 8 „Enrolment in subsequent years of studies “

(6) **Before the start of the summer semester**, students in the first year of study programme **must acquire at least 10 ECTS**, as set by the curricula of the winter semester, failing which the student's studies may be **terminated**.

### Study results confirmation

**The study results should be confirmed by student continuously during semester and have to be confirmed before enrolment to the next semester**

UIS → Personal Information → Student's portal → E-study portal → Study results confirmation

# BASIC RULES

6.9.2024 – last day for any exam from 2023/2024

26.8. - 30.8.2024 – days for submission of any request

Repetition of the study year

Interruption of studies...

If you don't fully fulfil study requirements by 6.9.2024 your studies will be terminated!

Mid of September – last deadlines for enrolment to 2nd year (check the calendar). If you don't come personally for enrolment, your studies may also be terminated!

# BASIC RULES

## Article 11 „Repetition of the Academic Year“

(2) During his/her studies a student can repeat **only one year of studies**.

*FTA rule: Student can repeat with any number of courses or only with MSc or Bc. Thesis*

## Article 12 „Interruption of Studies “

(2) Studies may be interrupted for a minimum period of one semester. The maximum interruption period is:

3 years in a bachelor study programme, 2 years in a master study programme.

*FTA rule: Student should interrupt Studies right after the registration, **at the beginning of semester***

# BASIC RULES

## Article 12 „Individual Study Plan“

- (1) In **specific cases** the student may apply for an individual study plan; this request may be granted by decision of the Dean.
- (2) An individual study plan enables the student to **distribute or change** the schedule of his/her prescribed individual study plan in a particular academic year, or **to study subject curricula of several academic years simultaneously**.

*FTA rule: Specific cases means activities related to FTA activities, master/bachelor thesis data collection, internship at study related institutions*

*Individual Study Plan is also granted to students leaving on Erasmus*

*It does not except student in attending lectures or seminars!*

## Study-related Fees

Determination of the fees associated with studies and payments for tuition at the FTZ in the academic year 2015/2016

### Article 1

#### Introductory Provisions

Tuition fees and the level of reimbursements for the services provided for the academic year 2015/2016 are determined in accordance with Article 19 of the Statute/Regulation of the Czech University of Life Sciences Prague (hereinafter referred to as "CULS") dated 11 November 2013.

### Article 2

#### Tuition fees and payments for tuition

1. Basic rules and fees associated with studies are determined by Article 58 of the Act.
2. Study-related fees are not subject to general regulations on fees.
3. Admission fees are 500 CZK, in accordance with Article 58, subsection 1 and 2 of the Act. Fees for the admission procedure are deemed revenue from educational, scientific, research, developmental, artistic or other creative activities of CULS (hereinafter "the main activities of CULS").
4. Tuition fees are 15,000 CZK for each six months of study commenced, under Article 58 subsection 3 of the Act. This charge is set in cases where a student of a Bachelor's or Master's study programme exceeds the standard period of study plus one year. This fee is deemed revenue of the scholarship fund of CULS.
5. Tuition fees are 2,500 CZK under Article 58, subsection 4 of the Act. The fee is set for those students who have already completed studies in a Bachelor's or Master's degree program. The fee applies for each additional year of study. The fee is deemed revenue of the scholarship fund of CULS.
6. The amount of the tuition fees is 5,000 CZK for Master's and Doctoral study programmes at the FTA, under Article 58, subsection 5 of the Act. This fee is set for those students who are studying Bachelor's, Master's or Doctoral study programmes offered at CULS in a foreign language. The fee applies for every year of study commenced. The provisions of this paragraph shall not apply to students in accordance with paragraph 13.
7. Tuition fees must be paid by bank transfer or cash deposit at the cash desk of CULS, in compliance with paragraphs 3 to 6. The announcement of the due date is part of the decision on the assessment of the total fee (unless handled under paragraph 3), which is due by the deadline for submissions of applications for study.
8. Tuition fees in accordance with paragraphs 3 to 6 and compensation for administrative acts and administrative services provided under Section 12 shall be considered as paid at the time of crediting to the bank account of CULS or just after a cash payment at the cash desk of CULS.
9. In individual cases, the fees associated with study may be reduced, exonerated or postponed by the Rector of CULS in accordance with Article 58, subsections 3 and 4 of the Act. The implementation of this act may be subject to the special consideration of the governing body.
10. The Rector may be represented by the Vice-Rector in accordance with Article 58, subsections 3 and 4 of the Act, regarding decisions on reductions, remission or deferral of study fees as defined in Article 10, subsection 4 of the Act.
11. The provisions of paragraphs 1 to 9 on the amount of study-related fees also apply to foreign students who study at the CULS under the same conditions as citizens of the Czech Republic, unless an international agreement provides otherwise.
12. Tuition fees for foreigners coming within the framework of inter-university or inter-faculty agreements are determined by such contracts. These agreements must be in accordance with international agreements and ensure the same study conditions for foreigners from the European Union and citizens of the Czech Republic.

# SELECTION OF OPTIONAL COURSES FOR MASTER'S

Optional courses A – profile courses for state exams

Optional courses B – other recommended courses

Other optional courses

Even from other faculty (request with explanation approved by the Vice-dean for Education)

Be careful about clashes in the courses schedule!

Think about the “corridors” for your state exams!

*Procedure for selection of optional courses of the study program*

## Agri-food Systems and Rural Development (ASRD)

During the registration of optional courses, students must follow the updated list of available optional courses in UIS associated with the study program, and take into regard following minimum ECTS amount obligation. Students should also consider their intended professional orientation, focus of their research and future selection of optional courses during the Final State Examination.

There are three types of optional courses:

- Optional courses type A which are crucial for the profile of the graduate
- Optional courses type B which can enlarge the scope of the graduate but do not directly focus on the core profile of the graduate
- Other optional courses. Upon the condition of fulfilment of minimum number of ECTS from optional courses A and B, students are free to choose any course from any other study program of the faculty or university. However, they must ensure the timing of the course will avoid any conflicts in their schedule of classes.

The minimal number of ECTS from every group of optional courses is listed below. The fulfilment of the minimum amount of ECTS from each group will be evaluated before the State Examination by respective officer at the Administration Office.

Optional courses type A	Minimum 20 ECTS for whole Master's studies
Optional courses type B	Minimum 10 ECTS for whole Master's studies
<b>Optional courses type A</b>	<b>Optional courses type B</b>
Introduction to Engineering	Project Monitoring and Evaluation
Quality, Storage and Processing of Plant Products	Processing and Interpretation of Biological Data
Quality, Storage and Processing of Meat Products	Project Cycle Management
Economic Botany	Cooperation and Farmer Associations
Social and Demographic Aspects of Rural Development	Economics of Farming Systems
Rural Development	Forum Group Discussion
Environmental Engineering	Tropical Products Marketing
Environmental Engineering (Environmental engineering project)	Summer Sports
Agrobiodiversity	Personal Security and Risk Management
Rural Communication and Extension	Management of Tropical Land-use Systems
Resource Ecology	Gender in Agriculture and Rural Development
Organic Waste Management	Applied Research Methods in Agriculture
	Winter Sports
	Fair Trade and Ethical Business in International Trade
	Agricultural Market Information Services (Мировые информационные системы и услуги в агропродовольственной сфере)

\*Courses are also available in different language other than English
