« L'audace a du génie,

du pouvoir,

de la magie.» Goethe

WHY CHOOSE THE *u*NIVERSITY OF ANGERS?

A welcoming community

The University of Angers strives to be a welcoming place for its students and to help them reach their potential. For its continuous efforts to improve services to international students, UA is proud to have been awarded 2 stars by Campus France as part of the Bienvenue en France / Choose France certification.

UA offers a one-stop InfoCampus helpdesk to guide its students and help them with practical information such as transport, accommodation, grants, etc.

The Incoming Students Office provides personalised support to international students according to individual needs: research work, learning French, etc. During the Welcome week, all exchange students are given the opportunity to discover UA's various services (the InfoCampus helpdesk, the "Sharing Box" for everyday essentials, the libraries, the medical centre, sports facilities, etc.) as well as the city of Angers through special discovery tours.

The Buddy System at UA allows international students to have local students greet and guide them at the beginning of their stay and to take part in various intercultural events throughout the academic year.

French courses

The French language centre for foreigners (CeLFE) offers French lessons from beginners to advanced levels.

The CeLFE is an authorised exam centre which provides different certification exams (DELF, DALF, TCF).

The University of Angers

> "I really thank you for the perfect organization of our first weeks at a new university, city and also country. It was super helpful and I felt very welcome."
>
> *Martina, Czech Republic*

> "I think it was a wonderful experience with the kind of support I had. The information service was so helpful and the student workers were just incredible."
>
> *Christian, Ghana*

The city of Angers

› **Ranked best place to live in France***

› **90 minutes by train from Paris**

› **41,000 students**

› **Renowned for its many historical sites:** Angers Castle, Saint Maurice Cathedral, the Apocalypse Tapestry (largest medieval tapestry in the world), etc.

› **A vibrant cultural life,**
with many theatres, cinemas, art festivals, etc.

› **A green and human-size city:**
150,000 inhabitants with an average of 40m^2 green spaces per resident

› **Great local food** and world-famous Anjou wines, with many gourmet restaurants and "guinguettes" (typical Loire Valley open-air restaurants)

› **All kinds of places easily reachable by public transport**
A recent survey has shown that a vast majority of students are happy to live and study in Angers.
